“ Wendy had a gypsy soul and the kind of energy one never forgets. She was always on the go and always singing while doing it. May she find rest and peace at home with Fay.

I did contact you. One of the three of us can't reach out due to personal reasons, the other one might not either. But I did because I never knew my mom.

“ This is sad news and I am so sorry to hear of Wendy's passing. One of my favorite memories of Wendy is taking her home from Primary years ago when Primary was at 4 PM on Wednesdays. She was a very pretty little girl with a lot of energy and never saw a stranger. She always had plenty to say about all subjects. She was a delightful little girl. RIP Wendy.
