I worked with Bill at Fort Lauderdale PD. He was very dedicated to the job and had a variety of assignments. Lunch at Tina's Spaghetti House on South Federal was a regular event. I remember him talking enthusiastically about going line dancing at places on State Road 7. My condolences to his family. Mike Doran Captain retired

From playing with Kim and Ricky as children to swimming at the beach with Mom and Daddy to playing songs for him on our guitar to the final meal with him before being escorted to and sent off on the cruise to the Bahamas so many years ago... so many good memories that included the blessing of visiting with him by video when we could no longer in person. Wish we could have given you one more hug. Much love to you, Uncle Bill, and to your family.
